PRESENTING THE

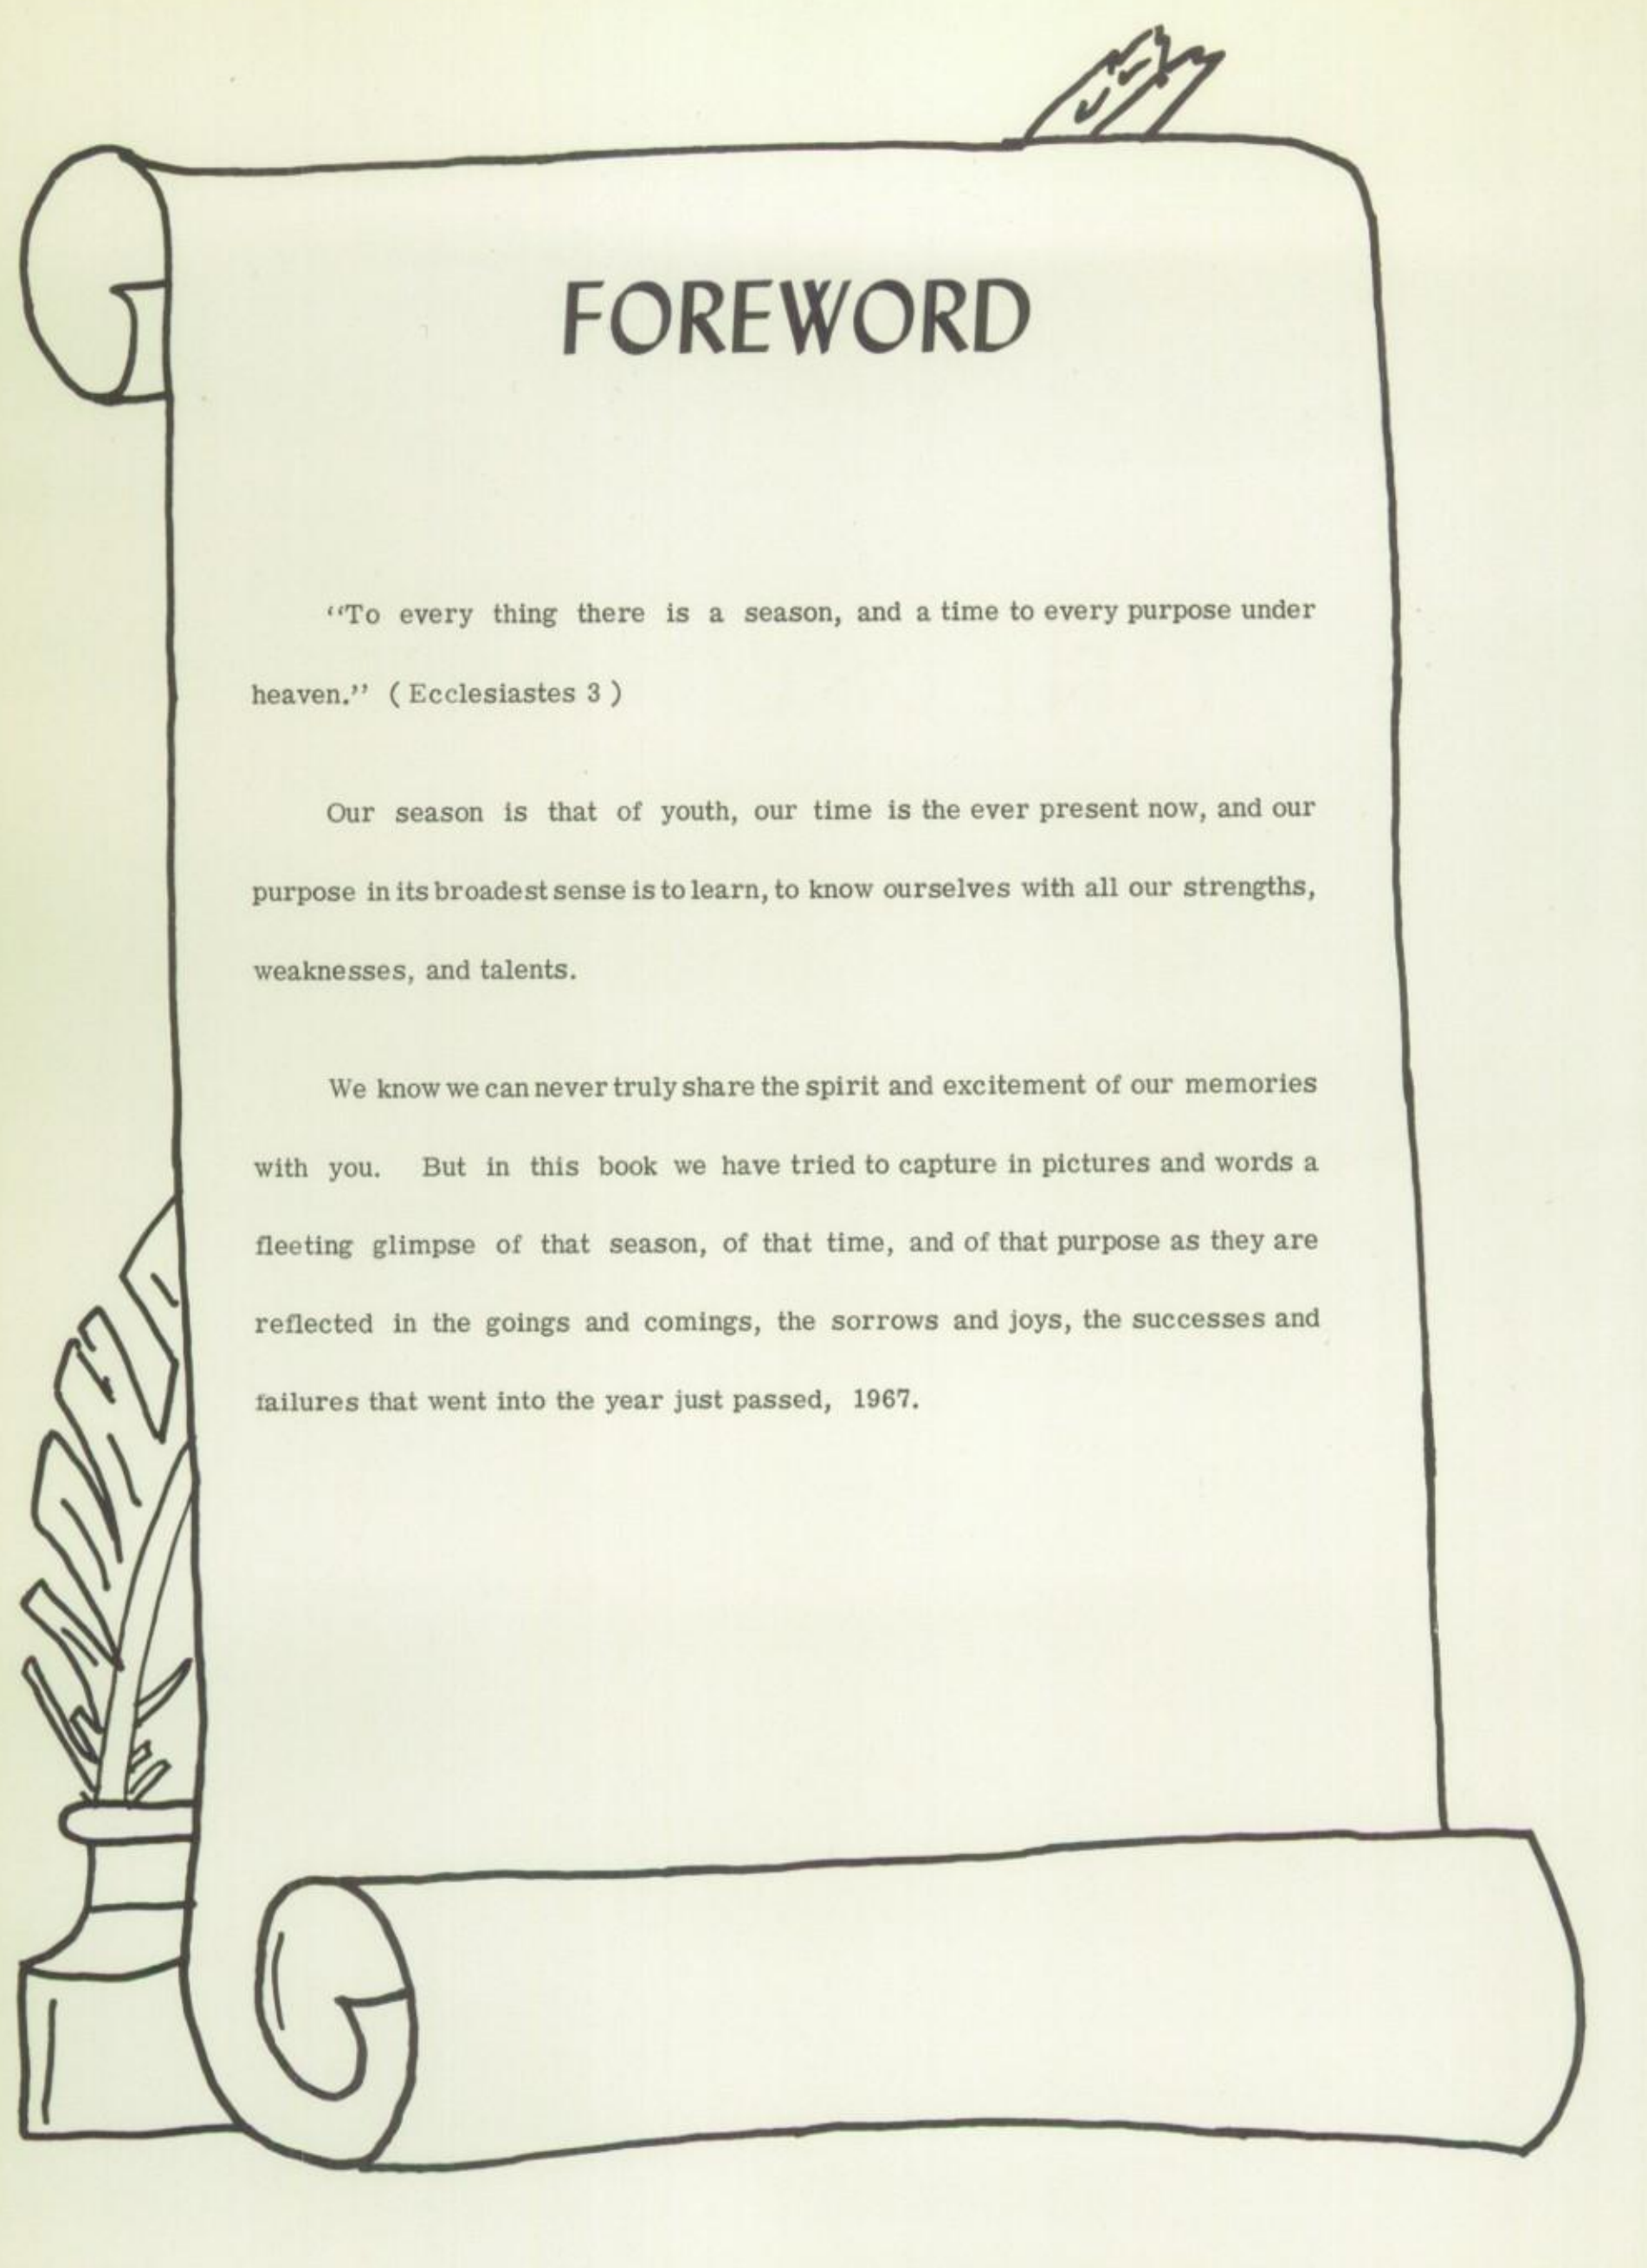

'67 RAMBLER

EDITED BY THE

SENIOR CLASS

ARLINGTON HIGH SCHOOL
ARLINGTON, INDIANA

FOREWORD

"To every thing there is a season, and a time to every purpose under heaven." (Ecclesiastes 3)

Our season is that of youth, our time is the ever present now, and our purpose in its broadest sense is to learn, to know ourselves with all our strengths, weaknesses, and talents.

We know we can never truly share the spirit and excitement of our memories with you. But in this book we have tried to capture in pictures and words a fleeting glimpse of that season, of that time, and of that purpose as they are reflected in the goings and comings, the sorrows and joys, the successes and failures that went into the year just passed, 1967.

DAR

The 1967 DAR good citizenship award was presented to Barbara Parks.

Each year the Daughters of the American Revolution offer a citizenship award to the girl nominated by the school as being a good leader, a good student, and a good citizen. Barbara, as representative from Arlington, was able to compete in a written test for further recognition.

GIRLS' STATE

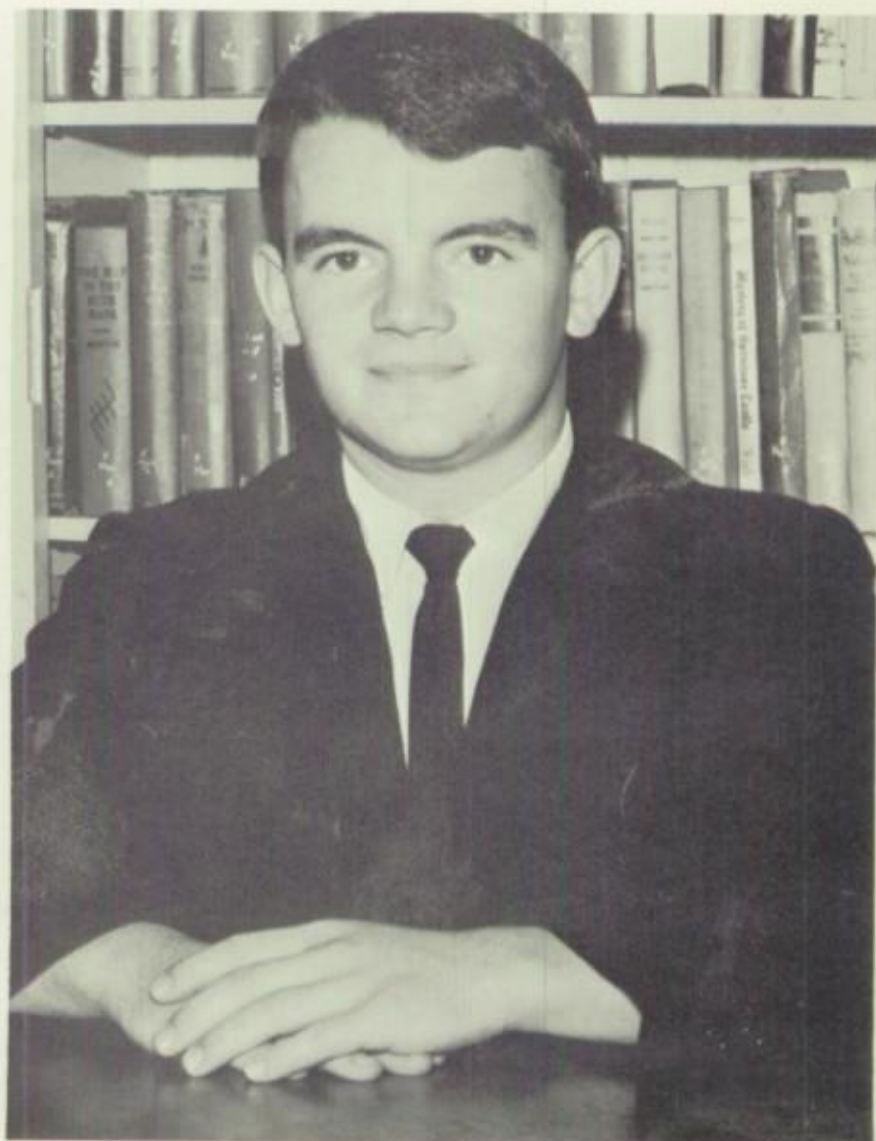

Boys' State and Girls' State provide the opportunity for participants to learn about government "first hand." These activities are sponsored by the

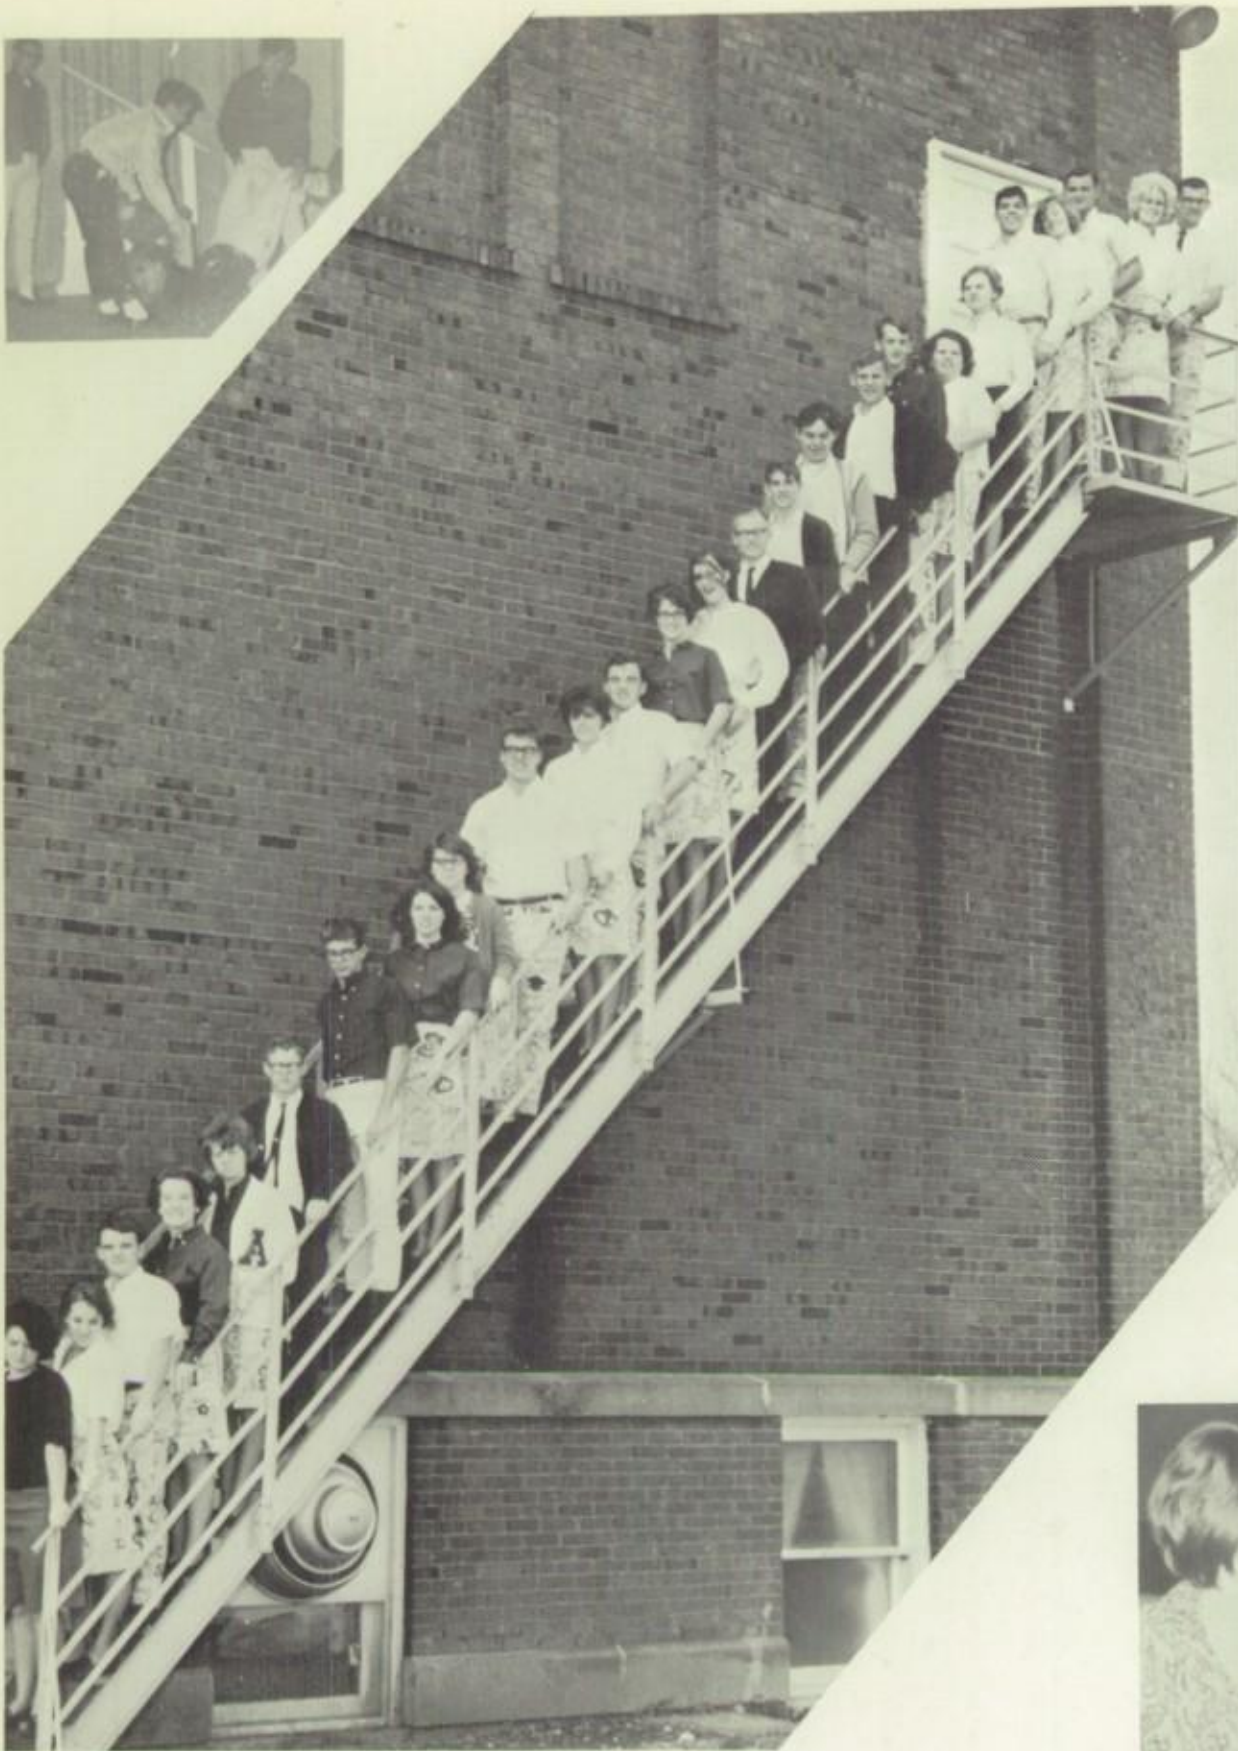

BECKY ISRAEL

BOYS' STATE

American Legion on a state-wide basis. The local chapter of Lions' Club sponsors the juniors who attend from Arlington.

DAVE LOGAN

Here are some more of the Senior activities and just plain shenanigans! One of the biggest money making projects was the magazine sales. At the right are the high magazine salesmen; Bob VanOsdol and Denny Woods.

One of the activities of the Junior and Senior years is to present a class play. The Class of '67, in their Junior year presented "Cheaper by the Dozen"; their Senior play was "Arsenic and Old Lace."

TWELVE YEARS TOGETHER

Twelve years together is a long time--but not long enough. Over half of the graduating class has been together for twelve years, and they are proud of it!

SENIOR CORDS, one of the Indiana high school's fads. They represent four years of "success".

CLASS OF 1968--The junior year is usually a busy one, and this year was no exception. Class officers and sponsors led the juniors to success in selling concessions and building the class treasury.

Vocational plans also began to take shape for the Class of 1968 as they anticipated graduation and the future.

What will their future hold?
Only they can decide.

"Sophomores make the world go 'round" might be the chant of the Class of 1969. The sophomore year seems filled with high hopes and, sometimes, big disappointments.

Class rings are ordered in the tenth grade, and the day they are received is a day for celebration. All other activities in school seem to dwindle in importance as the sophomores proudly display their new possession.

"Freshman"--the beginning of one's career in high school. This is the year for biology and physical education; the first step towards a high school diploma. For many, academic plans are changed in the ninth grade. It is the first year that a student may choose courses he wishes to pursue. The student who begins one plan of study may decide to change to another course during the next three years of high school.

"Freshman"--the year for boy friends and girl friends. Rings are exchanged in a moment of decision to "go steady."

"Freshman"--for the first time, the class is separated during part of the day. Freshmen may be in the same class with upperclassmen. New friendships are made.

"Freshman"--for most students, it only lasts one year. Even though the going may be rough at times, it all seems worthwhile in the end.

OFFICERS

JUNIORS--Mr. Peters, sponsor; Jeff Hawkins, President; Dean Dearing, V. Pres.; Patty Hamilton, Secretary; Kathy Wolfe, Treasurer; Mrs. Harnish, sponsor.

Studious Seventh Graders??

It's a man, it's a bird----

Who's got the ball?

Arlington's UFO??

I don't know.

Yea, Rah, TEAM!

Guess who??

These bottom two pictures were taken at the first 8th grade party in 1966-67.

At the left the girls are preparing the punch, just look at the smiles on the right.....

FAREWELL

Twelve years is a long time
--too long to forget.
We look around and ask
--where did it go?
We worked, we played
--but for twelve years?
Then we look the other way
--into tomorrow.
Suddenly we're not so tall
as we thought we were
and not so smart.
But we find that somehow
our years at Arlington have value,
a value which is almost undefin-
able.
Through our own determination
and desire
we gained knowledge
which is symbolized by
graduation--
a graduation which was made
possible
only through the guidance, faith,
and hope
expressed by our teachers, parents,
and friends.
Our direction into tomorrow is
uncertain,
but we face it with anticipation
and eagerness.
Although the world may change
and the time change
and we change,
our years at Arlington will be our
light
into this dark, uncertain tomorrow.

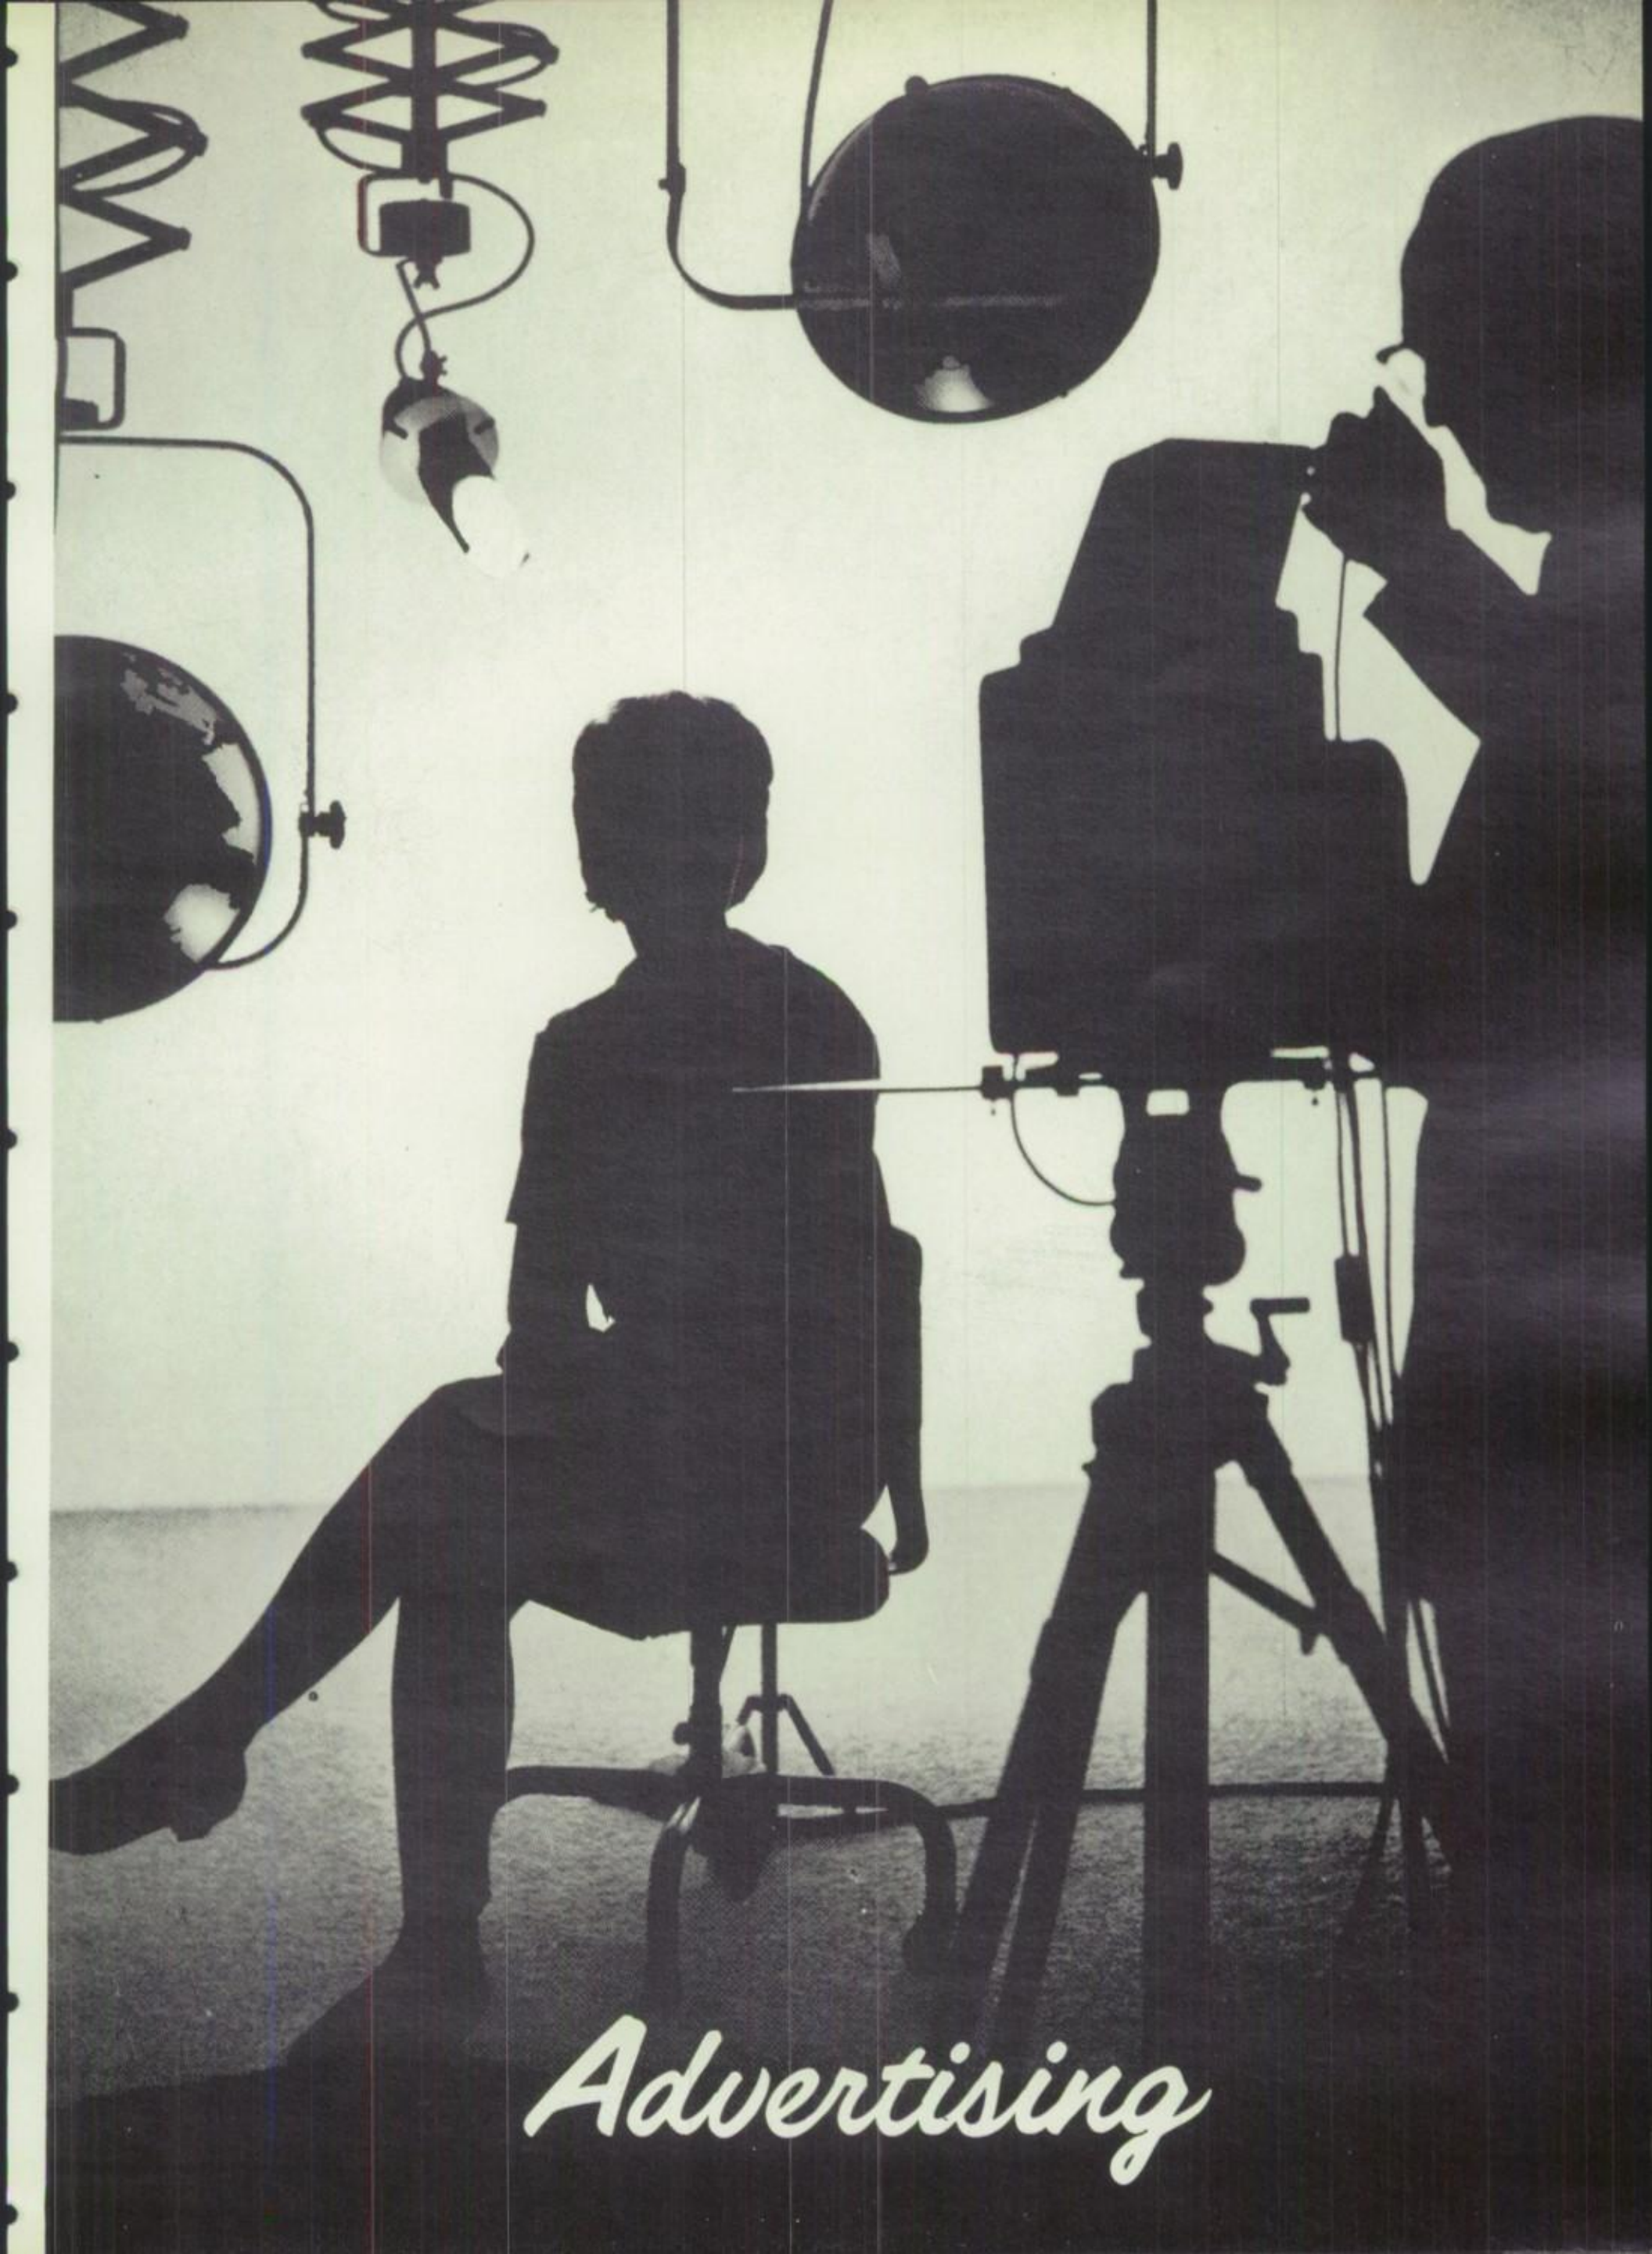

The RAMBLER Staff--a hard-working group, huh? Many hours of "work" and "play" have resulted in the production of this 1967 RAMBLER. The work on the yearbook is only one of the many activities that makes the senior year the "best" and "busiest" year in high school.
